

WE CELEBRATE NEXT FRIDAY

**Annual Midsummer Festival Will be
Held in Binford, Friday,
June 29th.**

Arrangements for our annual midsummer festival Friday, June 29, are practically complete, and all that we hope for now is desirable weather. The celebration this year will be better than those of previous years, if the plans of the committee in charge materialize.

The Willow band has been secured and will be on the job throughout the day.

An indoor baseball game between a team of ladies from the north country and a town team will be played in the forenoon. This has always proved an interesting attraction and the committee feels they were fortunate in securing the consent of the ladies to take part in the doin's.

Street sports, in which people of both sexes, old and young, fat and lean, can participate, will take place the first thing after dinner, and prizes will be awarded to the winners.

After the street sports, a base ball game between Sutton and Binford will be played. An admission of 25c will be charged.

The home talent play, "A Crazy Idea," will be presented in the evening, after which follows the big dance. The cast of characters and other news connected with the play can be found in another column.

Don't miss this day of all days. Binford is preparing to entertain you and we expect you with us. Friday, next week, is the day.
