

CONCERT BY McHENRY BAND

Bagleys's Splendid Musical Organization Will Appear In Binford Next Wednesday.

The McHenry Booster band will appear in the opera house in Binford next Wednesday evening, with a program of excellent musical numbers.

McHenry has one of the largest band organizations in this section of the state, and under the tutelage of Director Bagley, the new members have made wonderful progress. The instrumentation is well balanced and adapted to playing high class concert music. We have been unable to secure a program in time for publication but it will be a varied one, combining the standard overtures with marches and other lighter stuff.

McHenry has been loyal to Binford in many ways and we surely hope our citizens will show the same spirit next Wednesday evening. We owe them a big turn-out, so come out and enjoy a splendid musical treat.
