

BRANCH OF RED CROSS FORMED

Binford Will Do Her Bit In \$100,000 Subscription—Officers Elected.

A branch of the Griggs County Chapter of the American Red Cross Society was formed in Binford, Monday evening, and the following officers were elected:

Chairman—Dr. J. R. Truscott.
Vice Chairman—Dr. E. F. Ringlee.
Secretary—C. E. Peterson.
Treasurer—Oscar Greenland.

The executive committee is composed of the officers and L. P. Larson, Joseph Buchheit and Mrs. Frank Bowe.

The chairmen of the membership, finance and supplies committees were elected by the executive committee, Tuesday forenoon, and each chairman has appointed their own assistants, as follows:

Membership Committee—Dr. E. F. Ringlee, chairman, Mrs. Joseph Buchheit, Mrs. Oscar Greenland, Mrs. Frank Bowe and Dr. J. R. Truscott.

Finance Committee—Otto Pritz, chairman, Francis Ringlee and F. G. Lewis.

Supplies Committee—Mrs. Francis Ringlee, chairman.

The work on the Red Cross War Fund in Griggs County is progressing favorably where the organization has been perfected. In Cooperstown the \$2,000 goal has been reached. In Hannaford they have received donations to the amount of over \$500.00 and expect to reach the suggested \$600.00 mark. A splendid organization was perfected in Jessie on Sat-

urday night at a meeting held for that purpose attended by about 50 persons. They took hold of the matter with enthusiasm.

The membership and finance committees have already started their drive for members and contributions and although Binford was too late in perfecting its organization for Red Cross Week, those who are actively engaged in the work here promise that Binford will do its share in securing the allotment for Griggs County.

Up until the time this form was closed about 75 members have been enrolled, with the work not yet completed.

Death of Former Resident.

People in this neighborhood will be surprised to learn of the death of Mrs. A. G. Lindsay, who formerly lived on a farm north of town. Death occurred at Albany, New York, where Mr. and Mrs. Lindsay, have resided since leaving here two years ago.

Deceased had been failing for a few months passed and about three weeks ago her condition became critical, death resulting on Monday, June 18.

The body was interred in the cemetery at Cairo, New York, where she lived prior to coming to North Dakota.

A large number of friends here were sorrow to hear of her death, and all join in extending sympathy to the bereaved husband.

We have made arrangements to get cream from the Matt Rorvig stock farm, which means that you are getting the best we can buy for your Sundaes, and we have not raised our prices.—Anderson's Pharmacy.
