

O. O. Brodshaug and family have moved to McHenry to make their home in the future. Mr. Brodshaug has accepted a position with the Crane-Johnson Lumber company for the winter, and will also work with the McHenry band. The removal of the Brodshaugs from Binford is regretted very much. The local band will perhaps be the biggest loser as it is minus a good cornet player. We wish for them, however, much success in their new location.
