

The Sentinel-Courier of Coopers-  
town last week announced the organ-  
ization of a new land company, with  
a capital of \$100,000, known as the  
Halvorson-Thompson Land company.  
The incorporators are H. P. Ham-  
mer and Theo. G. Thompson of Co-  
perstown and H. S. Halvorson of  
McHenry. The aim of this new  
company will be to increase emigra-  
tion to Griggs and adjoining coun-  
ties, cut up the large farms and peo-  
ple them with actual farmers who  
will eventually own the land. The  
Halvorson-Thompson Land Co. is  
connected with the H. S. Halvorson  
Land Co., of McHenry, heavy land  
owners in Griggs, Foster and Eddie  
counties, and the two companies will  
work in conjunction for the best in-  
terests of their respective territory.
