Griggs Co. Tel. Co.	5.54

Speaker Wood Introduces Bill.

Speaker Wood of Deering has introduced a bill to amend section 6877 of the Compiled Laws of the state for 1913, providing that any blacksmith or mechanic shall have a lien upon personal property for his reasonable charges for any work done or materials furnished. The lien will have priority over, all other liens, chattel mortgages or incumbrances against personal property under certain provisions.
