Visitors at the Peter Swaren home north of town, the past week are his sisters, Mrs. Chas. Richardson of Spring Green, Wis., Mrs. Charlie Erickson of Warren, Minnesota, and Mrs. Ole Heieie, of Choplin, Sask., Canada. Mrs. Heieie returned to her home on Tuesday.

Frank Davis arrived here last Friday from Belfield, being summoned by the illness of his father, who suffered a paralytic stroke. Mr. Davis has sold his land near Belfield, and he may decide to return to Binford. He says the crops in that part of the state are very poor and that in some places they are a total loss.

Word was received by H. J. Maurer this week, of an accident which happened to his son, John, who is farming near Terry, Montana. The particulars of the accident are lacking, except that his jaw was broken, face cut and his brain jarred. He was attending a picnic and it is thot that he was participating in a horse race and that he fell beneath the horse's feet.

Dr. E. F. Ringlee was the happiest man in town this morning and his many friends are glad to share his joy with him. He received a telephone message from Fargo, with the good news that he had passed the state dental examination successfully. The Times will have more to say regarding Dr. Ringlee's intentions in our next issue.

A bunch of Cooperstown boosters invaded Binford Tuesday, with their band, on a tour over the county, advertising the chautauqua which opens a week's engagement at Cooperstown, commencing Saturday, of this week. The Vawter System has charge of the program and consists of the best talent obtainable. Many Binford people are planning on taking in some of the numbers.

An automobile accident west of town last night resulted in the occupants being injured and the car completely wrecked. George Lott, a son of J. E. Lott, who lives eight miles west of Binford, was out riding with Misses Jennie and Elsie Green, and as they reached the top of a hill, the car tipped off the embankment and turned over, landing right side up. Mr. Lott sustained a broken collar bone, Jennie Green a broken wrist and Elsie Green, was cut about the eye and bruised otherwise. Dr. Truscott was called and attended to their injuries.
