

THIRD CALL IS POSTPONED

**Crowded Condition at Camp Dodge
Makes the Change of Date
Necessary.**

Auditor Rearick of the local exemption board, has received notice that the remainder of the Griggs county quota of 40 per cent of the drafted men will not be sent to Camp Dodge Oct. 3, as originally planned. Crowded conditions at the camp make the change necessary, it is said. No later date has been announced.

Out of the first five per cent of North Dakota's quota moved to Camp Dodge, five men were rejected on physical exemption, according to a certificate of credits reported back to the adjutant general's office. There rejected men were:

Charles L. Schulze, Renville county; Frank Swanson, Grand Forks county; Pete Larson, Steele county; Paul A. Risk, Ransom county, Nels Peterson, Sheridan county.

All of Griggs county's contingent of five per cent were accepted.
