

Cashier O. G. Arneson closed two land deals last week, disposing of a quarter section, near Mose, for John P. Vangen to Erick Hanson and a quarter section of the Albert Alfson farm to Mr. Vangen. This week Mr. Arneson sold 224 acres adjoining the village to the west to T. T. Helland. We understand Mr. Helland purchased this land for a relative in Norway, and expects to build a house and barn on it in the spring.
