

Leeds News: We understand that Howard Huseby, who has been book-keeper at the Farmers & Merchants Bank the past year or more has resigned his position to accept the job of assistant cashier in a bank at Binford, N. Dak. Mr. Huseby left Wednesday to begin his duties. During his residence here he has made a number of close friends who will regret his leaving yet are glad that he has secured a good position and is working up in his chosen work. We join his many friends in wishing him prosperity and success.

How much seed corn will be raised
