

Arthur Idsvoog, who has held the position of assistant cashier of the First State bank for a number of years, has accepted a like position with the Farmers State bank of Maddock. He left for that place yesterday. Mrs. Idsvoog will join him there as soon as the household goods can be packed and shipped. Binford people, generally, are sorry they are to remove from our midst. They are a genial couple and will be missed, especially by the younger set. The Maddock bank is a large institution and his new position carries a great responsibility. Four men are employed in the bank and Arthur will be relieved of any more book work. He is a young man of exemplary habits. He has had some excellent training in the banking business and that he will make good at Maddock is a foregone conclusion.
