JESSIE NEWS.

There will be a moving picture show at the hall Monday evening.

W. H. Mark of Jamestown was a Jessie visitor for a briefstop. W. H. is a busy boy.

Jessie was like Wadsworth's "Deserted Village" on Friday and Saturday last. So many went to the fair. But they all came back.

A number of the bunch went to Binford after the game Sunday evening to witness the swatfest and apparently got all they went for.

John Detweiler went to Fargo on Monday and returned Tuesday, accompanied by Mrs. Detweiler who has been at St. John's hospital for the past two weeks. We are pleased to welcome her to her home once more.

Chas. Retzlaff is pushing the road work as fast as possible. His crew is now working near the east line of the township on the road leading from the schoolhouse.

Harry St John put in the latter part of the week looking after business interests and watching the events between times at the Griggs county fair at Cooperstown.

Lina Hovel left Friday for a vacation visit with relatives in Minnesota. She will be gone for some time. Her sister, Christine will pass the beans at the hotel during her absence.

F. F. Tollefson and wife returned to their home in Wimbledon Saturday. Mrs. Tollefson had been visiting with her son and daughter, Mr. and Mrs. Fred Tollefson for the past two weeks.

Stephen Korvig and family and two sisters, Misses Tina and Alma, of McHenry, autoed down from Binford Sunday evening and visited at the O. M. Rogney home renewing old time friendships.

Jas. Strand left on Monday evening by auto for Hannaford to spend the Fourth. Jimmie no doubt had a good time. That's his middle name. R. F. McIntosh accompanied him as far as Cooperstown.

The Fourth is past and we can now go to work. Opened with frowns and smiles and closed with—but that's another story.

"Say Jim, you should have been with us. We had some time. Yeg-fish? Well I guess. But the one I lost weighed six pounds." The conversation above tells its own story. The big feller got away.

Gen. Geise went to Fargo Monday afternoon. He expects to be absent for possibly a week and while there will have his leg treated. It may be necessary to remove some pieces of bone. We will miss George during his absence.

Chas. O. Johnson and family returned home Thursday from an extended trip in Minnesota. C. O. looks as tho the bread and butter state had treated him right. But Griggs county's sunny fields looked good. You appreciate your own table better after an absence.

Speaking of moving pictures, one of our prominent citizens took the leading part in the rain storm the past week. Having driven in his car all covered with mud he thought it a good time to clean it off and did so with the water coming down in buckets. He was sure a "moving picture."

Jessie won a ball game on Sunday last. They played against Glenfield on the home grounds. It was a good game all through and while there were no fancy stunts pulled off by Fred or Oliver, there was plenty of fire. O. M. Rogney umpired. E. Thorn believes he could lead a car of N. D. Hard about as easy as to pitch a game.

O. L. Anderson and family are entertaining Twin city visitors at their home. They are Misses Cora Peterson and Margaret Hanson of St Paul and Misses Olivia and Christine Rollefson of Minneapolis, who arrived Wednesday to spend some weeks here. Ole L. will have an opportunity to exercise his new Studebaker, for with sunshine and good roads there are many inviting trips to take.

Rev. Stinson of Cooperstown conducted the services at the school house Sunday afternoon. His daughter accompanied him and sang two solos which were thoroughly appreciated by the congregation. There was a good turnout. By a unanimous vote of those present it was decided to have Pastor Stinson come up each second Sunday. The next service will be July 16.

Julius Wurst has made his bow as a public entertainer, at the family home. On Sunday last a group of friends gathered to meet his guest, Frank Schmidt, of Alice. Those present were Ben Pfeifer, Ed Fiebigger, Ed Zimprich, John Hovel, Ed Fiebigger, Fred Schlinns, Gus Suess and Jack Resler and their families. Julius favored the visitors with his famous Shadowgraphs accompanied with songs. He was at his best—not Wurst.

The sympathy of the entire community has gone out to our friend, Harvey Larson, whose wife is seriously ill at Nashua, Iowa. Harvey received a wire Saturday afternoon, telling him to come at once as she was in the hospital and was very ill, so it was necessary to operate immediately. He got her sister by phone but could not hear distinctly, so had to leave without knowing just what was the exact situation. It is sincerely hoped that she may speedily recover.
