

McHenry Band Elects.

Tribune: The McHenry Booster band held a meeting recently for the purpose of electing officers for the ensuing year, and the following selections were made:

President, F. D. Cannon; vice president, Ole Brodshaug; secretary, John F. Faytle; treasurer, Jesse Rose. The advisory board consists of the president, secretary, treasurer, E. A. LeBien, Paul Lee, and Arthur Swanson. Ole Brodshoug was elected leader with Emil Saint as assistant. Mr. Bagley was of course, retained as director.

The organization has been sustaining itself and while the financial condition is nothing to brag about, the Booster band is out of debt. It is the only band organization for miles around that shows any activity and the people of McHenry and vicinity should appreciate this fact. The band is ready for any emergency and with the new music it is now getting, it will be able to render excellent music. The present membership is over twenty and new members are coming in from time to time.
