

**Sentinel Courier:** O. J. Melgard, who for a number of years has been cashier of the State Bank at Claremont., S. D., writes us to change his **Sentinel-Courier** to Madelia, Minn., where he is cashier of the State Bank of Madelia, which offers better opportunities. Oswald's many friends in Cooperstown and vicinity will be glad to learn of his advancement, and with his experience and well known ability he will be a valuable asset to the Madelia bank. Congratulations.
