

engine and a chauffeur mechanic.

Sentinel-Courier: W. H. Meyer, special agent for the state vehicle department, was in the city Friday and Saturday, and made several arrests for violation of the vehicle law, and local authorities wish to inform the public that it is necessary that license tags be displayed on both front and rear of autos, in order to comply with the present state law. Also after the 1st of July, a state law went into effect making it necessary for all auto drivers to use dimmed lights on their cars.

In connection with the alleged
