

PEKIN NEWS.

Miss Sena Otteson arrived on Monday from Wolverton, Minn., and now again installed as the Postmistress of Pekin. B. M. Burreson will be employed by the Gulbro Implement Co. during the season.

A brute of a man, named Michael Ulick, way laid Mrs. August Wessels and her 18 year old daughter, last week, in Illinois township, shooting the mother twice in the back, and then over powering the girl and outraging her. He was arrested at Lakota the next day and taken to Devils Lake to await trial. The deed was committed on the county line, the latter on the Ramsey side. The mother is in a serious condition.

Ben Raaen left Wednesday with two carloads of horses, machinery, and household goods, bound for Denzil, Saskatchewan, Canada, where he will farm on a large scale. His family will follow from Fargo in a few days. Martin Hoyer accompanied Ben with the shipment, and will run the large plowing outfit during the season. Here is wishing the parties success in their new location.

Another land deal was closed this week, Andrew Ensrud becoming the owner of Dr. Davenport's wellknown farm in Osago township. Dr. Davenport is a progressive farmer, and through careful and systematic planning has made good, and but for the poor health of his wife, and his dentist business requiring his entire time, would not have considered a sale at this time. The price at which the farm sold was \$45.00 per acre.—Pekin Budget.
