P. A. Lee returned from the hospital at Grand Forks, Thursday, apparently feeling fine.

A beautiful rain last week put the ground in excellent condition for the grain to start. Wheat is showing up splendidly and all prospects are good.

A. L. Gulbro informs us that he has disposed of two more Maxwell Touring cars, one to Henry Highum at Tolna, and one to Ferdinand Schindele on Dutch Point. Other possibilities in sight.

Nels Bue returned from Grand Forks last Thursday, not finding things to his liking with the Northern League at Grand Forks. Nels will play with the local team for the season, and we need not say that our boys are glad to have him behind the bat.

Hans Furuether, on the Fairbanks farm north of Pekin, had a pretty serious runaway with four horses and a drill Wednesday afternoon. No bones were broken and nobody hurt, but the drill was badly smashed up, and also one telephone pole was broken in the scramble.—Pekin Budget.
