

School opened on Monday with an enrollment of 88, but this number will be increased to over 100 before the term is very far advanced. A little inconvenience has been caused by the resignation of two of the teachers, Miss Jost, the principal, and Miss Wheeler, teacher of the intermediate grades. Mrs. Francis Ringlee, who was principal for two years, has kindly consented to take charge of the upper grades until the position can be filled. The intermediate room was dismissed Wednesday morning but will resume studies again this afternoon, with Miss Strehlow, of Casselton, as the teacher.
