

being pessimistic in the sign, though.

E. P. Rorvig returned last Saturday from an auto trip to Steele. Mr. Rorvig has been transferred as grain buyer for the Great Western elevator at Mose to a similar position at Steele. He has sold his mercantile business at Mose and expects to leave about the first of August for Steele. Altho the Rorvigs have not been residents of Binford they are so well known here that their departure seems as if we are losing one of our own families. They are a genial couple and the best wishes of Binford people go with them to their new home.
