## Scanson Family Leave.

**Pekin Budget:** Unintentionally we overlooked to mention in our last week's paper the departure from Pekin of the Scanson family. Mrs. H. G. Scanson and children, eleven in all, left Saturday, September 1st, for Wolf Point, Montana, where Mr. Scanson has been employed for a few months as plumber and furnace man, and where the family expects to make their future home. The Budget joins their many friends in wishing them abundant success in their new home and assure them that the estimable family will long be remembered at Pekin.
