A tennis court is being prepared near the lumber yard and tennis will soon become a popular sport here.

Martin Ueland, surveyor, of Cooperstown, was in Sutton Tuesday, to make arrangements for surveying some of the townsite property in the near future.

Ed. Rhodes and Geo. Allen made a trip to Wimbledon Tuesday afternoon. They had an uneventful trip going and coming but when they were within 40 feet of Mr. Allen's auto shed on their return, the rear axel of the car broke. They are thankful it was accommodating enough to wait until they got home before the accident occurred.

The Sutton school ball team went to Glenfield to play the school kids at that place Wednesday evening, but instead of a kid nine they say they had to play a team made up of adults. The Sutton team will play Cooperstown Saturday. We should have stated the score in the above, which was 5 to 1 in favor of Glenfield.—Sutton Reporter.
