

## **SUTTON NEWS**

Otto Simenson is to become a potato king this year. He is breaking up the east part of the unplatted townsite land and will plant it in spuds.

Prof. Bressler was exhibiting a war relic this week which he prizes very highly. It is a letter witten in 1862 to his mother by his father while the latter was serving as a soldier during the Civil war. The letter, is yellow from age, was written on back of a sheet of music.

John Ebentier and A. H. Retzlaff were in Fargo from Saturday evening until Monday, visiting with Arthur Ebentier. He is able to be up all of the time now and it will not be long ere he returns home.

The new train schedule is now in effect. No. 3 goes through here at 9 a. m. and local passenger is due at 11, going west and 3:20 east. The freight comes on Tuesdays, Thursdays and Saturdays. We get mail three times a day as before, No. 3 carrying now instead of No. 27.—Sutton Reporter.
