

BOLKAN-MONSON

Sentinel-Courier: Edwin Bolkan, clerk of court for Griggs county, and Miss Lillian Monson, daughter of Mr. and Mrs. Albert I. Monson, were united in marriage at Valley City, Saturday afternoon. Following the ceremony, which was a very quiet affair, the couple left for Duluth, Minnesota, to be gone for a week or two, during which time they will enjoy themselves at Minnesota lakes.

Both Mr. and Mrs. Bolkan are life-long residents of this community and their acquaintances, numbering many, are confined to no small area.

The bride is a graduate of Cooperstown high school, as is the groom, and has spent several years as a rural school teacher in this and in Steele county. She is a young lady of splendid accomplishments and is certain to be a most pleasing addition to Cooperstown's social life.

Mr. Bolkan who last year was elected clerk of court of this county, like Mrs. Bolkan, needs no introduction to our readers. He went into the service of his country in the recent war, and has for several years been secretary of the Griggs County Farmers Mutual Insurance Co., and has been, all the while, one of Cooperstown's most respected young men.

Mr. and Mrs. Bolkan will make their home in Cooperstown.
