

leave to take up his work there.

Miss Inez Greenland is leaving today (Thursday) for Missoula, Montana, where she will become the bride of Clifford C. Ehlers, formerly of Binford. The happy young couple will make their home at Kellogg, Idaho, where Mr. Ehlers is employed. Miss Greenland will be greatly missed in Binford, having taken an active interest in social, church and lodge affairs. For the past year she has been employed in the First National bank. She was born and raised here, and graduated from the local high school in its first graduating class. She and the man of her choice have many friends here who wish them an abundance of happiness in their journey through life.
