

KING WINS.

The election in the first commissioner district Tuesday resulted as follows:

Hope village, King 55, Day 24. Total vote 79. King's majority 31.

Hope township, King 12, Day 4. Total 16. King's majority 8.

Willow Lake, King 8, Day 4. Total 12. King's majority 4.

Broadlawn, King 6, Day 8. Total 14. Day's majority 2.

Colgate, King 10, Day 30. Total 40. Day's majority 20.

Total vote cast for King 91, for Day 70. King's majority 21.

The day was an ideal one and the farmers were busy plowing and finishing up other fall work, which no doubt accounts for the small vote cast.

The Pioneer joins Mr. King's large circle of friends and congratulates. He has made a good commissioner in the past and of course will continue to do so in the future.
