
HELD UP AND ROBBED.

While Duncan Livingston of Goose Lake was returning home from Page City, on the night of November 28th., and when about two miles west of the Ellsbury school house, he was held up by two masked men, and robbed of One Hundred Dollars. Mr. Livingston did not know the money was on his person until the highwaymen relieved him of his roll, he supposed he had left it at home in another pants pocket. There is a strong suspicion who the highwaymen are, but it is thought nothing can be proved.
