

DIED.

Yesterday morning a telephone message from Valley City announced that Joe Nelson had passed away at the hospital at that place.

Mr. Nelson was brought to Valley City from Harvey a few days ago suffering from penumonia. It was hoped that his life would be spared, but in vain, although he was a young man in the prime of life.

Deceased was the son of our well known citizen Charley Nelson and a brother of Carl Nelson, the county commissioner from this district. Besides his parents and his brother, he leaves his wife and a sister to mourn his loss. A brother, Oscar, died some years ago.

The afflicted family have the sympathy of this community in their sad bereavement.
