

Bertha Sereine Vigesaa

Miss Bertha Sereine Vigesaa died Sunday, March 19, at 7 a. m. She was a daughter of Peder Vigesaa and wife, who immigrated to this country from Norway some ten years ago, and since then her home has been with her parents.

Last fall she was taken sick with dropsy (doctors not agreeing as to what disease was causing the trouble.) The sickness culminated Sunday morning with paralysis of the heart, causing immediate death.

Funeral services took place Wednesday, March 22, at Lund church which on that occasion was filled to its utmost holding capacity. Rev. N. J. Vikingstad officiated.

She was at the time of her death 22 years and 6 months old. She was respected and loved by all who knew her. She will be missed very much by her many friends. Her death was an especially hard blow to her aged parents.

She died as a Christian.
