On Tuesday afternoon on the farm near Buchanan occurred the death of Mrs. M. J. Russell, wife of one of the well known farmers of that locality, the family having moved to this county about six years ago from Iowa. She had been sick since last spring and underwent an operation in a St. Paul hospital from the effects of which she never recovered. She leaves besides her husband, one son, Garnet, and three daughters, Mrs. F. H. Gray and the Misses Mary and Lillian Russell.
