

## Courtenay's Loss

It is with regret that we learn that Mr. Forester who is here closing out the stock of Mr. Atwood that it is Mr. Atwood's aim and determination to close out his stock and discontinue his mercantile business. Mr. Atwood tells us that he has too many outside interests that require all his time and it is necessary for him to dispose of his stock. After eight years of successful merchandising and seventeen years as a resident of Courtenay. We regret to lose him. We wish him all success and hope his sale may more than anticipate his wishes.
