

School Notes

Final examinations for completion certificates in the eighth grade subjects will be held at the school the third Thursday and Friday in December. There are nine eighth grade final certificates to be secured before the common school diploma is issued by the department and promotion into the high school is permitted.

The public school basket ball teams played Carrington at that place last Friday evening. For the girls' game the score was 5 to 6 in favor of Carrington and for the boys' game 7 to 10 in favor of Courtenay. After the games the Courtenay young people were given a banquet. The Courtenay teams lined up as follows.

The basket ball teams go to Valley City Saturday morning, play the Normal second teams in the afternoon and return on the evening passenger.

A great many were absent from the lower grades Monday because of the storm.

The basket ball teams very much regret to say they have lost their excellent coach and referee, Irl Pickett. To show their appreciation for his strict attention and kindness they collected a fund among the teams and bought a present for him, for which he was very grateful.
