### BASKET BALL GAMES

The high school basket ball teams played the Carrington last Friday. They met with a decided surprise in the way of two defeats. In the boys game Carrington took the surprising lead of 20 to 3 in the first half. In the second half the Courtenay boys settled down to business and held the score down to 9 to 11. The boys game closed 12 to 31 in Carrington's favor. Robert Turner got one field basket and Frank Hoffman made ten baskets from the foul line.

The girls game was 5 to 9 in Carrington's favor. For Courtenay, Blanche Walsh made three baskets from the foul line and Vivian Durkee made one field basket. The Courtenay teams were handicapped by the smallness of the Carrington floor. Carrington has two strong teams but Courtenay will make it decidedly interesting for them on the home floor March 26th.

After the games refreshments were served.
