

## School Notes

It would be well for all basket ball players to remember that a passing mark (70) will be required in all subjects pursued. School work first.

George Wraalstad was enrolled in the first intermediate room Monday.

H. Theo. Nelson visited school Tuesday and took a list of the new books that are needed.

Forest Horn and George Nelson were enrolled in the Grammar room this week.

Frank Hoffman and Bert Stuart are among those who have recently been enrolled in the high school.

As the home teams are only beginners, it was necessary to practice hard last week in order to be in condition to meet the experienced teams from the Carrington schools but now that the games are over there will be practice only on the regular evenings, Monday, Wednesday and Friday.

The Misses Cravath, Scott, Hutchinson and Follansbee were among those who went to Valley City Saturday to hear Madame Nordica.

Harry Posey was recently chosen by the boys basket ball team as their captain.

A large and enthusiastic audience was in attendance at the Carrington-Courtenay basket ball games last Friday evening. The total receipts were as follows, \$50.75, car fare for the Carrington people, \$25.60; hall rent \$10.-15; telephone, 60c; incidentals \$2.10. There remains a balance of \$12.30.
