

E. F. Horn and William Gallivan and Forest Horn left on Friday for Lethbridge, Alberta, with two cars of stock and machinery and will begin farming operations in that section of the country. Mr. Gallivan was up there last fall and filed on a homestead and pre-emption and Mr. Horn will file on a half section as soon as he can find one suitable. O. A. Lohrke accompanied them and will return to Courtenay as soon as Mr. Gallivan gets settled.
