

C. W. Greene returned Monday from a two week's visit with relatives at Browns Valley, Minn., and spent a couple of days here preparing to leave for Canada, which he did on Wednesday evening in company with Mr. Benedict. Both these gentlemen have taken up homesteads in Sunny Southern Alberta and will make that country their future home. Mr. Greene has had charge of the Langworthy Lumber yard at this point for the past year and during his residence here has made a host of friends who wish him well in his new location.
