Mrs. L. C. Lane entertained a group of her friends at her cozy home in the north end of town in honor of her mother and sister, Mrs. and Miss Simonson, of Albert Lea, Minn. Nasturiums and umbrella plants were used in abundance, which gave a very pleasing effect. A delicious lunch was served from the small tables and the small blossoms ornamented the name cards which marked the 40 covers. The afternoon was spent informally among the guests. At a late hour they wended their way homeward with the knowledge of having enjoyed the generous hospitality of Mrs. Lane.
