

## Shot in the Neck

Frank Riebe, brother of Lue Riebe of Willow City, met with a serious accident while hunting Tuesday. He and a companion had just gotten out of the rig after some chickens when the gun carried by his companion accidentally discharged in closing it, the charge striking young Riebe in the neck and shoulder, inflicting a very serious and painful wound. He was brought to town immediately and Dr. Anderson dressed the wound and the young man is now resting easily and it is hoped no more serious results will follow. It was a very close call to sudden death and the young man is very fortunate that he was not killed instantly.—Kensal Journal.
