

Mrs. H. S. Strandness departed Wednesday morning for Eau Claire, Wis., where she will visit relatives while Mr. Strandness is getting settled in his new location at Barton, N. D., where he has a position as cashier of a bank. Mr. Strandness' many friends here are glad to hear of his promotion and that he will fill his position with credit to himself and employers is an assured fact as he has proven himself to be a young man of good business ability and excellent habits. He expects to leave shortly to take up his new duties.
