

J. R. Wallis disposed of his personal property at public auction yesterday at the G. A. Tucker farm. The attendance was not large but those who did attend were lively bidders and everything went at a good figure. One four year old horse sold for \$250 and a colt about eighteen months old sold for \$145 and one grade cow sold for \$50. Mr. and Mrs. Wallis will go to the state of Washington in a short time where they will reside.
