

At 11 o'clock Friday occurred the death of little Thelma B. Murdoch, aged 3 months and 18 days. The child has been ailing for some time and everything that skilled physicians could do did not seem to help it. Funeral services were held Saturday afternoon at 1 o'clock, Revs. H. W. Georgi and A. M. Hewson preaching the sermon. The partfelt sympathy is extended the bereaved parents in their hour of affliction.
