

Mrs. D. B. Berlin of Wimble-  
don and daughter Geraldine  
went to Rochester, Minn., a  
short time ago to consult the  
Drs. Mayo in regard to Geraldine  
who has been suffering with  
rheumatism for some time. Her  
condition seems to have been  
very serious and on Tuesday the  
balance of the family were call-  
ed to Rochester as it was feared  
that she might not recover.  
The many friends of the family  
in Courtenay are in hopes that  
she will recover in a short time.
