

School Notes

Mr. C. A. Sanford and Mr. A. H. Robinson of the board of education visited the schools Wednesday. These visits from the school officials are always a benefit to the schools. We understand that the board have purchased 150 trees to be planted about the school grounds this spring. This will greatly add to the attractiveness of the premises.

A debate has been arranged for on Friday afternoon of this week. The question is: Resolved, "that the great business monopolies of the United States are a benefit to the masses of the people." Affirmative, Frank Milne, Olive Hoffman, Gaylord Wells, Emma Edwards, Hazel Gallivan, Mary Robinson, Nettie Hennings, Ellen Nelson. The negative, Clarence Edwards, Beny Lawrence, Leslie Jones, Nellie Swanson, Delta Thorsgard, Bertha Chilson, Inez Atwood, Gertie Atchison.

Those perfect in attendance for February are as follows:
