

Peter Haas and family departed this week for their new home at Visalia, Cal., where they will reside in the future. They have purchased 87 acres of land on which is grown an abundance of fruit and alfalfa and Mr. Haas will be able to take life a little easier than he was able to do in hustling North Dakota. They are among the old timers in this part of the country and it is with regret that the people here see them leave but wish them an abundance of success in their new home.
