

Kensal News.

From the Journal.

Merchant Peterson and family moved into their new home Monday. They are about as comfortably situated as anybody in town.

Mrs. Wm. Forster, Sr., attended the wedding of her daughter in St. Paul April 25. Mrs. Forster returned home Tuesday.

Sunday morning the Stork visited the home of Mr. and Mrs. Fred Paulsen and left a healthy, bright, little boy baby. Mother and child are doing nicely.

The Kensal postoffice is now arranged in its permanent location. The interior of Druggist Holmes' store is very neatly arranged. The soda fountain will soon be in order to serve fiz to the thirsty public.

Some of the boozers seem not to have been alarmed over the statement of Commissioner Ladd that 95 per cent of the booze sold in North Dakota was adulterated. They are apparently looking for the other 5 per cent.

The base ball boys accompanied by a big bunch of "fans" went down to Wimbledon Sunday and in a game with the club of that place were returned winners, the score being 10 to 9. This was the first game of the season for the home boys and they feel very good over the showing they made. With a little more practice the boys will be in shape and ready to meet any of the teams along the Soo.
