

Kensal Items

Journal, July 11—J. Peterson and family went to Spiritwood Lake Monday and will remain a few weeks to enjoy the pleasures of camp life.

Mrs. M. F. Walsh of Balfour, is a late arrival in town, who will spend a few weeks visiting relatives and friends.

J. J. Joyce arrived last evening from Stillwater, North Dakota. He reports times as 'pretty lively in that part of the state.

A petition has been circulated, asking the town board to provide funds, for the employment of a village marshall and night watch, during the fall months.

Kensal Colts were defeated by the elevator gang in a game of ball last Sunday, the score being 13 to 7. At times the game was replete with errors and it is charged that the 3rd baseman of the Colts is responsible for 8 of the scores made by the winners.

G. F. Armstrong finished taking census in the village last week, and found 502 inhabitants. This is a good showing for the town and the Commercial club have taken steps toward its incorporation as a village. A petition has been circulated to-day and it is assured that an election will be called in the near future to determine whether the majority of the people are in favor of incorporation or not.
