

Kensal Items

Journal, June 6 — Born — To Mr. and Mrs. Harvey Hoover, on Tuesday evening, June 4, a bouncing baby boy.

Mrs. William Narum went to Courtenay Sunday morning where she attended the dedication of the Norwegian Luthern Church.

The postoffice was moved to the furniture store annex Friday evening and Andrew Thompson took charge of the office Saturday morning, June 1.

John Brady, who lives about four miles from Kensal lost his barn by fire Sunday. They were at work branding calves and some one unconsciously laid a hot branding iron in a straw pile, which caught fire and before any body saw it it had such headway that they were unable to put it out.

Mrs. Knud Christenson was quite badly burned about the face and neck yesterday. She was preparing dinner and had a kettle of beans on the stove boiling and when she went to lift the cover of the kettle, it had become so tight that a quantity of steam had gathered which when the cover was loosened, hurled the contents of the kettle out and spattered it all over Mrs. Christenson's face and neck. Burns of this kind are very painful and she will have to stay in for awhile.

Ole Hanson and family departed Tuesday evening from Kensal Mr. Hanson's destination being Stillwater, North Dakota, where their home will be, while Mrs. Hanson and the children go to visit relatives and friends in Wisconsin. The Hanson family has a host of friends here who are grieved to see them go, but who all join in wishing them an abundance of prosperity in their new home.

A fourteen year old boy, brother of Hugo Riebe shot and killed a lynx about a mile and a half south of Arrowwood lake Sunday. The boy saw the animal but not having anything to shoot with he went back to the house and armed himself with a 22 calibre rifle and went back in search of Mr. lynx. He did not search very long before he spied the animal and taking aim he fired. It was a well directed shot and the lynx fell over dead, hit in the head. The boy showed considerable nerve as the lynx is a large and ferocious animal, and if wounded will put up a desperate fight.
