

KENSAL ITEMS

Journal, Nov. 15—Kensal was treated to another free for all fight Monday night; this time the fight occurred at the depot. We are informed that one of the principals was quite severely injured.

Andy Thompson has been running the tow mill for some time. The tow mill is a mighty good thing for the farmers around Kensal as well as for the village.

Wm. Gies has just finished a new house and barn across the track in shantytown. It is a neat little cottage and will make the Gier family a pleasant home.

There were fourteen grain tanks in front of Neva's livery Monday afternoon. Those fourteen tanks hauled at least 18,000 bushels of wheat. The Kensal elevators will handle close to half a million bushels of grain this year.

Al. Sorenson expects to leave Kensal about November 20. The Sorensens will go back east on a visit. Their friends hope that early spring will find them back at the old stand dispensing food to the hungry people.

Ed. Waller attended the Young Men's Good Government League rally at Jamestown on Wednesday evening of last week and while on the way home the team took a little sprint and Ed. jumped out. The result is a badly sprained ankle. Ed. claims that he was perfectly sober and exhibited an empty bottle to prove that there was nothing to drink.

Mrs. H. B. White and daughter Lillian, of Postville, Ia., are visitors at the home of Mrs. D. S. Greenan. Mrs. Winter will leave for Los Angeles, Cal., in a few days where she will spend the winter. Mrs. Winter was accompanied by Mrs. Greenan's sister, Mrs. C. S. Sheppy, of Hope, N. D., who visited here for a short time.
