

A fourteen year old boy, brother of Hugo Riebe shot and killed a lynx about a mile and a half south of Arrowwood lake Sunday. The boy saw the animal but not having anything to shoot with he went back to the house and armed himself with a 22 calibre rifle and went back in search of Mr. lynx. He did not search very long before he spied the animal and taking aim he fired. It was a well directed shot and the lynx fell over dead, hit in the head. The boy showed considerable nerve as the lynx is a large and ferocious animal, and if wounded will put up a desperate fight.
