

A telegram was received here by George Tucker announcing the death of his sister, Mrs. Wm. Gallivan, who died at Lethbridge Saturday morning. Mr. Tucker left for that place Sunday morning to attend to the funeral services. On account of the meager report of the telegram it is not known here what was the immediate cause of her death but since she has been known to be a sufferer from heart trouble for several years past it is assumed that that is what brought about her untimely death, having only reached the age of 52 years. The death of the husband of the deceased occurred only a few months ago and it is with sorrow that their many friends and relatives in this vicinity learn of the death of both husband and wife in so short a space of time.
