

NECROLOGIC

THREE DEATHS OCCUR IN AS
MANY DAYS.

Last Friday this community was shocked to hear of the death of one of its old time citizens which had occurred at the St. Mary's hospital at Rochester, Minn. Several weeks ago Jacob Siebert, who owned and operated a farm west of town, decided to visit the famous Mayo brothers to consult them in regard to his health which had been very poor for some time. After a thorough examination it was found that he was afflicted with a cancer of the stomach and an operation for the removal of the growth was undertaken though very little hope was entertained for his ultimate recovery, and in this they were not mistaken for on the morning of August 19 he breathed his last. His remains were shipped to Courtenay, arriving here Saturday morning, and was immediately taken to his home. Interment was made in the Catholic cemetery, west of town, Monday at 10 o'clock in the forenoon.

Jacob Siebert was 48 years old at the time of his death. He had followed the occupation of farming for many years, arriving in this state nearly twenty years ago. Besides his wife he leaves several children to mourn his death.
